

TERMS AND CONDITIONS OF THE DUCHENNE DASH 2026

This agreement (which incorporates these Terms and Conditions, the Duchenne Dash 2026 Rider Registration Form and the Duchenne Dash 2026 Medical Questionnaire) is made between:

- (1) Duchenne UK (“DUK”) a registered charity (charity number 1147094), whose Registered Office is located at Duchenne UK, Unit G20, Shepherd’s Building, Charecroft Way, Hammersmith, London W14 0EE

And

- (2) You as an individual fundraiser because you wish to participate in and raise funds for DUK in connection with the Duchenne Dash 2026 fundraising event organised by DUK (the “Event”).

By accepting these terms and conditions in the Duchenne Dash 2026 Rider Registration Form, you undertake and confirm as follows:

- That you are over 18 years old and that DUK may request evidence of age and may, their sole discretion, refuse participation in the Event if such evidence is not provided.
- By signing up to join the Duchenne Dash, you have made a commitment to raise £4,200 in fundraising and donations for Duchenne UK. If you have failed to begin fundraising four weeks prior to the event (7th April 2026) Duchenne UK will contact you by phone and by email to offer fundraising support and gain insight into your plans for reaching your pledged fundraising target. If you fail to respond or indicate any positive intention to fundraise, Duchenne UK reserves the right to refuse your entry to the Duchenne Dash. In such circumstances, due to the administration time and expense we have incurred, we will be unable to refund your registration fee.
- There will be 20x Early Bird registration places available at £585 (plus £8.50 booking fee). These places are available on a first come first served basis and cannot be held.
- Once the Early Bird places have been filled, the registration fee will increase to £625 (plus a £9.00 booking fee).
- The above-mentioned booking fees include a credit card handling fee, which is imposed by the banks and payment acquirer. These booking fee charges will not be received by DUK and are non-refundable.
- You understand and agree that this registration fee is non-refundable (including, but not limited to, in the case of withdrawal, alteration or cancellation of the Event except to the extent described in the paragraph below, or if you decide to withdraw your consent to our processing your personal information (as detailed on the medical form). The reason for this is that the registration fee is to cover the costs incurred by DUK associated with your participation in the Event and if you withdraw from the Event or the Event is altered or cancelled, DUK will not be able to recover all of its committed and other costs from its suppliers. Any donations you have raised are gifts to the Charity and cannot in such circumstances be refunded to you and our supporters.
- **Deferring you place:** Should you need to withdraw it is possible to defer your place to the following year. If our registration fees and fundraising targets in the following year have increased, by deferring, you will be agreeing to pay the additional registration fee and to meet the new fundraising target.

You may only defer a place once, if you need to defer a second time you will be required to cancel your place and we will not be able to offer a refund for your registration fee or fundraising for the reasons stated. You will be able to register for the following year, which will incur a full registration fee.

Due to auditing protocols, it is not possible to roll-over any banked fundraising and you will be committing to raising the full fundraising target the following year.

- **Event cancellation due to Covid-19:** We reserve the right to cancel: (a) the Event (in whole or in part); or (b) your participation in the Event due to, or as a result of, any restrictions and/or guidance imposed by relevant authorities (such as the UK or French Governments, devolved governments, and/or local government authorities) or applicable laws relating to the Covid-19 pandemic (the “**Restrictions**”). We may, for example and without limitation, cancel the Event and/or your participation in the Event if, in our sole opinion, the Event and/or your participation in the Event is unlawful, unsafe, or undesirable in view of the Restrictions. If the Event is cancelled for any of the reasons described in this paragraph then DUK will reimburse the registration fee to you as soon as is reasonably possible. For the avoidance of doubt, should you contract Covid-19 or need to self-isolate due to Covid-19 and, as a result, cannot participate in the Event, DUK shall not be obliged to refund the registration fee to you.
- If the Event is cancelled for any of the reasons described in the paragraph above, DUK shall not be obliged to refund any fundraising money already donated to and received by the Charity.
- **Covid-19 testing for entry into events:** Guidelines for Covid-19 testing for entry into mass participation events have yet to be confirmed for summer 2026. In the event of any testing requirements being imposed by the relevant authorities (such as the UK or French Governments, devolved governments, and/or local government authorities) participants will be notified. Participants agree to comply with guidelines and requirements as specified.
- That you will complete and submit the Rider Registration and Medical Forms upon payment, or no later than 1st March 2026.
- That you understand that should you be obliged to withdraw through illness or through another unforeseen circumstance it may be possible, with the agreement of DUK (which shall be at its sole discretion), for another person to step into your place. In these circumstances, provided that the person stepping into your place pays the applicable registration fee, your registration fee will be refunded to you and the organisers agree to use reasonable efforts to assist with this administrative change.
